and the Interim Hearing and the Final Hearing to consider the relief requested in the Motion having been held and concluded; and all objections, if any, to the relief requested in the Motion having been withdrawn, resolved, or overruled by the Court; and it appearing to the Court that granting the relief set forth herein is necessary and otherwise is fair and reasonable, in the best interests of the Debtor, its estate, and its creditors and equity holders, and essential for the continued operation of the Debtor's remaining business and to avoid incurring significant administrative expenses; and after due deliberation and consideration, and for good and sufficient cause appearing therefor; the Court hereby makes the following:

FINDINGS OF FACT AND CONCLUSIONS OF LAW²

1. On August 3, 2022, the Debtor filed a voluntary petition for relief under chapter 11, subchapter V of the Bankruptcy Code in this Court (the "**Petition Date**"). The Debtor continues to operate its business and manage its assets as Debtor in possession pursuant to section 1184 of the Bankruptcy Code.

2. This Court has jurisdiction over this Subchapter V Case and this Motion under 28 U.S.C. §§ 1334(b) and 157. The Motion is a core proceeding under 28 U.S.C. § 157(b). Venue of this Subchapter V Case and this Motion is proper in this Court under 28 U.S.C. §§ 1408 and 1409.

3. The statutory and procedural predicates for the relief granted in this Final Order are sections 105, 361, 362, 363, 364, 503 and 507 of the Bankruptcy Code, Bankruptcy Rules 4001 and 6004, and Local Rule 4001-3.

² The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052. To the extent any findings of fact constitute conclusions of law, they are adopted as such. To the extent any conclusions of law constitute findings of fact, they are adopted as such.

CAPTION: **Final Order (i) Authorizing (a) Post-Petition Financing and (b) Use of Cash Collateral and Affording Adequate Protection; and (ii) Modifying the Automatic Stay**

4. In accordance with Local Rule 9013-5(c) and (f), notice of the relief requested in the Motion was provided to (i) the Office of the United States Trustee; (ii) the entities appearing on the Debtor's list of twenty (20) largest unsecured creditors on a consolidated basis; (iii) counsel to Manasquan Bank and Vollers; (iv) the Office of the United States Attorney; (v) the Attorney General for the State of New Jersey; (vi) the Internal Revenue Service; (vii) the SBA; (viii) NGM; and (ix) those persons who have formally appeared in Subchapter V Case and requested service pursuant to Bankruptcy Rule 2002, which notice was proper, timely, appropriate under the circumstances and sufficient for the Motion, and the entry of this Final Order; service of the Interim Order and notice of the Final Hearing were proper; and no further notice of, or hearing on, the entry of this Final Order is necessary or required.

5. Cash Collateral. Any and all of the Debtor's cash, including cash and other amounts on deposit or maintained in any account or accounts by or for the Debtor (including but not limited to escrows and reserves) and any amounts generated by the collection of accounts receivable, whenever arising, or any other disposition of the Prepetition Collateral (as defined herein) or Replacement Collateral (defined below), and the proceeds of any of the foregoing, including without limitation all postpetition accounts, accounts receivable, and proceeds thereof, are Manasquan Bank's cash collateral within the meaning of section 363(a) of the Bankruptcy Code (the "Cash Collateral").

6. Prepetition Surety Bonds. Prior to the Petition Date, NGM executed certain performance and payment bonds (the "Bonds") on behalf of the Debtor including the Bonds bearing bond numbers and for certain obligees (the "Project Owners") of and for fourteen (14) of the Debtor's ongoing construction projects (the "Bonded Projects") which Bonds relate to certain

of the contracts which the Debtor was performing under as of the Petition Date. The Debtor believes that progress payments, retainage, change order and claim proceeds that are outstanding and which may be earned and come due post-petition with respect to the Bonded Projects (collectively, the “**Bonded Project Proceeds**”), when paid by Project Owners may constitute trust funds for the benefit of laborers, subcontractors, suppliers, and materialmen of the Bonded Projects pursuant to applicable state statutes. The Debtor further believes that such Bonded Project Proceeds may be subject to the interests of Surety under (i) the trust provisions of the Indemnity Agreement; (ii) where applicable, state statutes; and (iii) common law principles of subrogation to the extent Surety has made or may make payment under the Bonds (the “**Trust Fund Beneficiaries**”).

7. Prepetition Financing Documents. The Debtor is a party to Manasquan Bank’s Loan Documents identified in the Motion (the “**Loan Documents**”).

8. Prepetition Obligations Amount. As of the Petition Date, Manasquan Bank asserts that the outstanding amount due and owing by the Debtor to Manasquan Bank under and in connection with the Loan Documents, inclusive of principal and accrued interest, is approximately \$1,309,232.14 plus any and all other amounts required to be paid under and in connection with the Loan Documents (collectively, the “**Secured Obligations**”). As of the Petition Date, the Debtor is in default of its obligations under the Loan Documents. The Secured Obligations constitute allowed, legal, valid, binding, enforceable and non-avoidable obligations of the Debtor and are not subject to any offset, defense, counterclaim, avoidance, recharacterization or subordination pursuant to the Bankruptcy Code or any other applicable law. The Debtor does not possess and shall not assert any claim, counterclaim, setoff or defense of any kind, nature, or description which

would in any way affect the validity, enforceability and nonavoidability of any of the Secured Obligations. This paragraph 8 of this Final Order and paragraph 8 of the Interim Order shall not be binding on the U.S. Trustee, the Subchapter V Trustee, any appointed Trustee, the Estate, creditors or parties in interest other than the Debtor.

9. **Prepetition Liens and Collateral.** As of the Petition Date, the Secured Obligations were secured pursuant to the Loan Documents and applicable law by valid, perfected, enforceable and non-avoidable first priority security interests and liens (the “**Prepetition Liens**”) granted by the Debtor to Manasquan Bank (including any applicable agents), for the benefit of Manasquan Bank, upon certain collateral (as set forth in the Loan Documents) (the “**Prepetition Collateral**”). The Prepetition Liens (i) are valid, binding, perfected and enforceable liens and security interests on all of the Prepetition Collateral, (ii) are not subject to avoidance, recharacterization, recovery, subordination, attack, offset, counterclaim, defense or “claim” (as defined in the Bankruptcy Code) of any kind pursuant to the Bankruptcy Code or other applicable law, and (iii) constitute legal, valid, unavoidable and binding obligations of the Debtor, enforceable in accordance with the terms of the Loan Documents. The Prepetition Liens are subject to any property taxes that are, by law, secured by liens against the Prepetition Collateral that have priority over the Prepetition Liens. This paragraph 9 of this Final Order and paragraph 9 of the Interim Order shall not be binding on the U.S. Trustee, the Subchapter V Trustee, any appointed Trustee, the Estate, creditors or parties in interest other than the Debtor.

10. **The DIP Loan.** The Debtor has an immediate and critical need to obtain the DIP Loan. Debtor’s ability to obtain the Postpetition Financing is critical to its ability to continue as a going concern during the course of the Subchapter V Case. The proceeds of the DIP Loan will be

used to fund the costs of administering Debtor's estate, including, without limitation, (i) accrued and unpaid payroll as of the Petition Date (net of applicable payroll taxes) and (ii) payroll and labor costs (including applicable payroll taxes) for those certain Non-Bonded Projects for which the Debtor and Vollers will execute a Subcontract at closing if the sale is approved. Debtor's access to sufficient liquidity through the incurrence of the Postpetition Financing under the terms of this Final Order is vital to the preservation and maintenance of the going concern value of Debtor's estate and to Debtor's successful reorganization. Consequently, without the ability to obtain Postpetition Financing to the extent authorized pursuant to this Final Order, Debtor and its estate would suffer immediate and irreparable harm.

11. No Other Credit Available. The Debtor is unable to obtain adequate unsecured credit allowable under Bankruptcy Code sections 364(b) and 503(b)(1). The DIP Loan reflects the most favorable terms available to the Debtor. The Debtor requires the DIP Loan to satisfy its postpetition liquidity needs. Vollers has indicated a willingness to provide Debtor with the Postpetition Financing, but solely on the terms and conditions set forth in this Final Order. After considering all alternatives, the Debtor has concluded, in an exercise of its sound business judgment, that the financing to be provided by Vollers pursuant to the terms of this Final Order represents the best financing presently available to Debtor.

12. Appropriate Liens for the DIP Loan. The security interests and liens granted pursuant to this Final Order to Vollers, which are to secure the first priority liens on all assets of the estate (other than assets secured by Equipment Loans) to secure the DIP Loan up to the Maximum DIP Amount (defined below), are appropriate under Bankruptcy Code section 364(c).

CAPTION: **Final Order (i) Authorizing (a) Post-Petition Financing and (b) Use of Cash Collateral and Affording Adequate Protection; and (ii) Modifying the Automatic Stay**

13. Best Interests of the Estate. Entry of this Final Order is in the best interest of Debtor, the estate, and creditors. The terms of the DIP Loan are fair and reasonable under the circumstances, reflect Debtor's exercise of prudent business judgment consistent with its fiduciary duties, and is supported by reasonably equivalent value and fair consideration.

14. The DIP Loan is Made in Good Faith. The Debtor and Volders have negotiated the terms and conditions of the DIP Loan, Interim Order, and this Final Order in good faith and at arm's-length, and any credit extended and loans made to the Debtor pursuant to this Final Order shall be, and hereby is, deemed to have been extended, issued or made, as the case may be, in "good faith" within the meaning of Bankruptcy Code section 364(e).

15. Adequate Protection for Prepetition Lender. In exchange for the Debtor's authorization for the use, sale or lease of Manasquan Bank's Prepetition Collateral and Cash Collateral, and the imposition of the automatic stay, Manasquan Bank is entitled to receive adequate protection pursuant to sections 361, 362, and 363 of the Bankruptcy Code in respect of any decrease in the value, after the Petition Date, of the Prepetition Collateral and the Cash Collateral resulting from (a) the use of Cash Collateral; (b) the use, sale, lease or depreciation or other diminution in value of the Prepetition Collateral; (c) the imposition of the automatic stay; or (d) otherwise during the Subchapter V Case. As adequate protection, Manasquan Bank will receive the adequate protection described in the Motion and this Final Order. Furthermore, to the extent that this Court finds that circumstances have materially changed such that Manasquan Bank may be entitled to additional adequate protection, nothing shall preclude Manasquan Bank from seeking additional adequate protection or the Debtor from opposing such request. In light of such adequate protection, Manasquan Bank has consented to the use of Cash Collateral, solely on the terms set

forth in the Motion and this Final Order, and solely as set forth in the budget attached hereto as **Exhibit 1**, as may be amended from time to time, but only upon the Debtor's consultation with, and advance written consent from, Manasquan Bank (the "**Budget**"). The adequate protection provided for herein and other benefits and privileges contained herein are consistent with and authorized by the Bankruptcy Code and are necessary to obtain such consent.

16. The Debtor has an immediate need to use cash collateral to, among other things, preserve and maximize the value of the Debtor's assets, absent which immediate and irreparable harm will result to the Debtor, its estate, and its creditors. The preservation and maintenance of the Debtor's assets and business is necessary to maximize values available for distribution to stakeholders. Absent the Debtor's ability to use Cash Collateral, the Debtor would not have sufficient available sources of working capital or financing and would be unable to pay its operating expenses, to maintain its assets, or collect and generate future revenue, to the detriment of the Debtor's estate and creditors. Accordingly, the relief requested in the Motion and the terms herein are (i) critical to the Debtor's ability to maximize the value of its estate, (ii) in the best interests of the Debtor and its estate, and (iii) necessary, essential, and appropriate to avoid immediate and irreparable harm to the Debtor and its assets.

17. Good cause has been shown for entry of this Order, and the entry of this Order is in the best interests of the Debtor and its estate and stakeholders. Among other things, the relief granted herein will permit the Debtor to preserve and maintain the value of its assets. The terms of the Debtor's use of Cash Collateral and proposed adequate protection arrangements, as set forth in this Order, are fair and reasonable under the circumstances, and reflect the Debtor's exercise of prudent business judgment consistent with its fiduciary duties.

CAPTION: **Final Order (i) Authorizing (a) Post-Petition Financing and (b) Use of Cash Collateral and Affording Adequate Protection; and (ii) Modifying the Automatic Stay**

18. The Debtor's use of Cash Collateral has been negotiated in good faith and at arms' length among the Debtor and Manasquan Bank, and Manasquan Bank's consent to the Debtor's use of Cash Collateral shall be deemed to have been made in "good faith."

19. The Debtor has made reasonable efforts to afford the best notice possible under the circumstances and such notice is good and sufficient to permit the relief set forth in this Order, and no other or further notice is or shall be required.

Based on the foregoing, it is hereby **ORDERED THAT:**

A. The Motion is granted as set forth herein.

B. The Debtor is authorized to accept the maximum commitment of the DIP Loan from Vollers pursuant to the terms set forth in the Motion, but in no event more than \$200,000 in principal amount (along with accrued interest on the DIP Loan, the "**Maximum DIP Amount**"), and the Debtor may use the proceeds of the DIP Loan for, if necessary, (i) accrued and unpaid payroll as of the Petition Date (net of applicable payroll taxes), and (ii) payroll and labor costs (including applicable payroll taxes) for those certain Non-Bonded Projects for which the Debtor and Vollers will execute a Subcontract at closing if the sale is approved pursuant to the amount noted in the Budget from the DIP Loan proceeds as set forth in Budget.

C. To secure the DIP Loan up to the extent of the Maximum DIP Amount, the Debtor is authorized to provide, (i) first priority liens on all assets other than assets that secure the Equipment Loans (the "**DIP Collateral**") to Vollers (the "**DIP Lien**"), which in each case will (a) be subject to and not attach to the Carve-Out (defined below) and (b) not attach to any estate causes of action under chapter V of the Bankruptcy Code. in-Possession Loan and Security Agreement between the Debtor and Vollers submitted with the Motion is approved by its terms.

D. The Debtor is authorized to use any Prepetition Collateral and Cash Collateral of Manasquan Bank as of the Petition Date in accordance with the Motion, the Budget and this Order.

E. The Debtor is authorized to provide, and Manasquan Bank and the U.S. Small Business Administration (“SBA”) are hereby granted, adequate protection as follows:

(i) Adequate Protection Liens: in respect of any decline in the value of the Prepetition Collateral and Cash Collateral resulting from: (a) the use, sale, lease or depreciation or other diminution in value of the Cash Collateral or Prepetition Collateral; (b) the imposition of the automatic stay; or (c) otherwise during the Subchapter V Case, Manasquan Bank is granted replacement security interests and liens, without requiring any additional filing or recordation of statements or documents (the “**Adequate Protection Liens**”) on all of the property of the Debtor’s estate, including previously unencumbered property, if any (the “**Replacement Collateral**” and together with the Prepetition Collateral and Cash Collateral, the “**Collateral**”). Notwithstanding the foregoing, the Replacement Collateral shall not include (a) the payment of the Carve-Out (as defined herein) from proceeds of settlement payments to be paid to Manasquan Bank, (b) any claims or causes of action of the Debtor under 11 U.S.C. §§ 544, 547, 548, 549, 550, or 551 (“**Avoidance Actions**”), or (c) any proceeds of Avoidance Actions (“**Avoidance Proceeds**”). The Adequate Protection Liens shall be senior in priority over any other liens, except for (i) any fees payable to the Clerk of this Court, (ii) liens that secure the Equipment Loans, subject to review of the extent, validity, priority, and

perfection of such loans, and (iii) the Carve-Out (defined below), payable from proceeds of a settlement, and (iv) the DIP Liens, but only to the extent of the Maximum DIP Amount. Except per the immediately preceding sentence, the Adequate Protection Liens shall at all times be senior in priority to (i) any replacement lien at any time granted by the Debtor in favor of any other person or entity, and (ii) all liens, security interests and priority claims granted to any post-petition lender unless otherwise agreed to in writing by Manasquan Bank. In consideration of the Carve-Out (defined below) Debtor and its estate have waived any rights under section 506(c) of the Bankruptcy Code and any “equities of the case” exceptions under section 552 of the Bankruptcy Code. SBA is granted the same Adequate Protection Liens in the Collateral except that such liens shall be junior in all respects to the liens, including the Prepetition Liens and Adequate Protection Liens, of Manasquan Bank (the “SBA Adequate Protection Liens”).

(ii) Superpriority Claim: Manasquan Bank shall have a superpriority administrative expense claim under section 507(b) of the Bankruptcy Code to the extent of any diminution of Manasquan Bank’s Prepetition Collateral and Cash Collateral from the Petition Date. SBA shall have a superpriority administrative expense claim under section 507(b) of the Bankruptcy Code to the extent of any diminution of SBA’s prepetition collateral and cash collateral from the Petition Date, but only to the extent that the Secured Obligations of Manasquan Bank have been paid in full (the “SBA 507(b) Claim”).

(iii) Sale Payment: as further adequate protection, the Debtor shall make payment to Manasquan Bank on the Secured Obligations at the closing of any sale of the Debtor’s assets, including, without limitation, (i) any of the Prepetition Collateral, and/or

(ii) Replacement Collateral; provided however that Manasquan Bank may consent to different terms for payment in connection with any such sale; provided further that absent the express written consent of Manasquan Bank to any such sale, this provision shall apply to require the proceeds of any such sale to be paid to Manasquan Bank at closing.

(iv) Weekly Reporting: the Debtor shall provide weekly accountings to Manasquan Bank and the DIP Lender setting forth the cash receipts and disbursements made by the Debtor under this Order. In addition, the Debtor shall provide Manasquan Bank with all other reports required by the Loan Documents and any other reports reasonably requested by Manasquan Bank.

F. Notwithstanding anything to the contrary contained herein, Manasquan Bank has agreed to provide a payment of \$25,000 from the proceeds of a proposed settlement, upon receipt, to payment to the Debtor for administrative expenses (the “Carve-Out”), which the Debtor is authorized to apply to any allowed professional fees.

G. This Order shall constitute findings of fact and conclusions of law and shall take effect and be fully enforceable immediately upon entry hereof. The fourteen (14) day stay provisions of Bankruptcy Rule 6004(h) are waived and shall not apply to this Order.

H. The terms and provisions of this Final Order shall be valid and binding upon and shall inure to the benefit of the Debtor, DIP Lender, Manasquan Bank, all other creditors of the Debtor, any Subchapter V Trustee, and all other parties in interest and its respective successors and assigns, including any trustee or other fiduciary hereafter appointed in a case under chapter 11 or any case under chapter 7 of the Bankruptcy Code upon the conversion of the Subchapter V

Case, or in any other proceedings superseding or relating to any of the foregoing, or upon dismissal of this Subchapter V Case.

I. Except as provided herein, neither the DIP Liens nor the Adequate Protection Liens shall be made subject to or *pari passu* with any lien or security interest by any court order heretofore or hereafter entered in the bankruptcy case or any successor case. The Adequate Protection liens and DIP Liens shall not be subject to section 510, 549 or 550 of the Bankruptcy Code.

J. All objections to the relief granted in this Final Order, to the extent not withdrawn or otherwise resolved, are hereby overruled.

K. Subject to the terms and conditions set forth in this Final Order and pursuant to section 363(c)(2) of the Bankruptcy Code, the Debtor is authorized to use Cash Collateral as set forth in the Budget (as may be amended from time to time; provided, however that Manasquan Bank shall have the right to consent to any material modifications but such consent shall not be unreasonably withheld or delayed). Except as otherwise expressly provided herein, the Debtor may use Cash Collateral in accordance with the Motion, this Final Order, and the Budget to pay expenses set forth in the Budget, subject to variances of no more than ten percent (10%).

L. This Order shall be sufficient and conclusive evidence of the validity, perfection, and priority of the DIP Liens and the Adequate Protection Liens, without the necessity of either filing or recording any mortgage, financing statement or other instrument or document which may otherwise be required under the law or regulation of any jurisdiction or the taking of any other action (including, for the avoidance of doubt, entering into any deposit control agreement) to validate or perfect (in accordance with applicable non-bankruptcy law) the DIP Liens, Adequate

The Debtor is authorized and directed to execute and deliver promptly to the DIP Lender and/or Manasquan Bank, or its authorized agent, all such financing statements, mortgages, notices and other documents as may reasonably be requested. Manasquan Bank, the DIP Lender or their respective authorized agent may file a photocopy of this Order as a financing statement with any filing or recording office or with any registry of deeds or similar office, in addition to or in lieu of such financing statements, notices of lien or similar instrument.

M. If any or all of the provisions of this Final Order are hereafter reversed, modified, vacated or stayed, such reversal, modification, vacatur or stay shall not affect (i) the validity of the DIP Lien or any adequate protection granted to Manasquan Bank prior to the effective date of such reversal, modification, vacatur or stay, or (ii) the validity, perfection, priority, allowability or enforceability of any claim, lien, security interest or priority authorized or created hereby with respect to the DIP Lien or any adequate protection granted to Manasquan Bank prior to the effective date of such reversal, modification, vacatur or stay. Notwithstanding any such reversal, modification, vacatur or stay, any use of the Prepetition Collateral or Cash Collateral or the granting of adequate protection to Manasquan Bank prior to the effective date of such reversal, modification, vacatur or stay, shall be governed in all respects by the provisions of this Final Order, and the DIP Lender and Manasquan Bank shall be entitled to all of the rights, remedies, protections and benefits granted under this Order with respect to all uses of the Prepetition Collateral and Cash Collateral and the granting of adequate protection by the Debtor pursuant to this Final Order.

and serving on the Debtors, the Subchapter V Trustee, all parties filing notices of appearance, the DIP Lender, the SBA, and the United States Trustee, a notice, including a certification, that requests relief from the automatic stay and describes in detail the alleged Termination Event (“Notice of Termination Event”). The Debtors and the Subchapter V Trustee shall have five (5) days from the receipt of the Notice of Termination Event to object to Manasquan Bank’s required relief from the automatic stay and to seek a hearing on shortened notice whether a Termination Event has occurred or otherwise to object to Manasquan Banks’ requested relief. If neither the Debtor nor the Subchapter V Trustee files such an objection to the Notice of Termination Event, the automatic stay provisions of section 362 of the Bankruptcy Code are hereby vacated and modified solely for Manasquan Bank to take any or all of the following actions without further order of or application to the Court: (a) immediately terminate the Debtor’s use of Cash Collateral; and (b) take any other actions or exercise any other rights or remedies permitted under the Loan Documents or applicable law. If the Debtor or Subchapter V Trustee files an objection to the Notice of Termination Event and requests a hearing within the required timeframe, the Bankruptcy Court shall determine whether a Termination Event has occurred and whether Manasquan Bank is entitled to relief from the automatic stay to exercise any rights and remedies.

is insufficient to compensate for any diminution in value of Manasquan Bank's Prepetition Collateral and Cash Collateral during the Subchapter V Case. Nothing contained herein shall be deemed a finding by the Court, or an acknowledgement by Manasquan Bank, that the adequate protection granted herein does in fact adequately protect Manasquan Bank against any diminution in value of its interest in the Prepetition Collateral and Cash Collateral.

W. Except as explicitly provided for herein, this Order does not create any rights for the benefit of any third party, creditor, equity holder or any direct, indirect or incidental beneficiary.

X. Manasquan Bank's consent hereto shall not be construed as a waiver of any defaults, rights or remedies under the Loan Documents, or any rights or remedies related thereto as against any third parties.

Y. The Adequate Protection Liens and the superpriority administrative expense claim granted to Manasquan Bank in this Order shall, in the event this Subchapter V Case is converted to chapter 7, be subject to the reasonable fees and expenses of a chapter 7 trustee, not to exceed \$10,000, that may be allowable under section 724(b) of the Bankruptcy Code.

Nothing contained in the Motion, the Interim Order or this Final Order shall obligate the Surety to extend its Bonds to Debtor, as contracts of financial accommodation, or to otherwise provide additional Bonds to the Debtor. Nothing in the Motion, the Interim Order, this Final Order or the DIP Loan documents shall in any way prime or affect the rights of the Surety as to (a) any funds that the Surety is holding and/or that are being held for the Surety presently or in the future, whether in trust, as security, or otherwise, including any proceeds due or to become due to the Debtor in relation to contracts bonded by the Surety; (b) any substitutions or replacements of said funds including accretions to and interest earned on said funds; or (c) any letter of credit related to any indemnity, collateral trust, bond or agreements between or involving the Surety and the Debtor (collectively (a) to (c), the **“Surety Assets”**). rights the Surety has or may become subrogated; and/or (y) any subrogation or other common law rights of the Surety. In addition, notwithstanding anything in the Motion, the Interim Order, this Final Order or the DIP Loan documents to the contrary, the rights, claims and defenses of the Surety, including but not limited to, the Surety's rights under any properly perfected liens and claims and/or claim for equitable rights of subrogation are fully preserved. Nothing herein is an admission by the Surety or the Debtor, or a determination by the Bankruptcy Court, regarding any claims under any bonds, and the Surety and the Debtor reserves any and all rights, remedies and defenses in connection therewith. To the extent, if any, that the Debtor's use of funds constitute the use of the Surety's cash collateral, the Surety shall have a replacement lien in the Debtor's assets to the same extent, amount and priorities as existed as of the petition date. In addition, the Surety reserves its rights as to any issues concerning the Debtor's use of funds. Notwithstanding the foregoing, nothing in this Order or the Consent Order (described below) shall prevent the U.S. Trustee, the Subchapter V Trustee, the Debtor, any creditor or parties in interest to review and challenge any determination, position, claim, lien or right asserted by the Surety.

BB. To the extent that any provision of this Final Order conflicts with any provision contained in the *Consent Order* requested by the Debtor and the Surety on August 19, 2022 [D.I. 72] and entered by the Court on August __, 2022 (the "Consent Order") [D.I. __], the Consent Order shall control.
